

ARABIAN NIGHTS

CHARACTER	HOLLYWOOD	BROADWAY	WEST END	SPOTLIGHT
Genie	Sophie March	Charlotte Norman	Sophie Fonovic	Bianca Reid

GENIE

Salaam and good evening to you worthy friends
Welcome, to the fabled city of Agrabah
City of flying carpets, soaring heroes
Famous love ballads
And more glitz and glamour
Than any other fictional city in the world!

Oh, I come from a land, from a faraway place
Where the caravan camels roam
Where it's flat and immense
And the heat is intense
It's barbaric, but hey, it's home

When the winds from the east
And the suns from the west
And the sand in the glass is right
Come on down, stop on by
Hop a carpet and fly
To another Arabian night

And of course,
You know what Agrabah's famous for
This, magical lamp

Don't be fooled by its commonplace appearance
Like so many things
It's not what's on the outside
But on the inside that counts

Whoa! Got a little deep there for a second!
This lamp put Agrabah on the map
You've never been?
Well, we can fix that!

Follow me to a place
Where incredible feats
Are routine, ev'ry hour or so

Where enchantment runs rampant
It's wild in the streets.
Open Sesame! Here we go!

See the dervishes dance in ridiculous pants
Then romance to your heart's delight

GENIE Come on down

ENSEMBLE Come on in!

ALL

Let the magic begin
It's another Arabian night!

Arabian nights
'Neath Arabian moons
A fool off his guard could fall and fall hard
Out there on the dunes

Arabian nights
Arabian nights
Arabian nights
Arabian nights
Arabian nights

DO YOU HEAR THE PEOPLE SING?

CHARACTER	HOLLYWOOD	BROADWAY	WEST END	SPOTLIGHT
Ensemble	Ensemble	Ensemble	Ensemble	Ensemble

Do you hear the people sing
Lost in the valley of the night?
It is the music of a people
Who are climbing to the light.

For the wretched of the earth
There is a flame that never dies.
Even the darkest night will end
and the sun will rise.

They will live again in freedom
In the garden of the Lord.
We will walk behind the ploughshare;
We will put away the sword.
The chain will be broken
And all men will have their reward.

Will you join in our crusade?
Who will be strong and stand with me?
Somewhere beyond the barricade
Is there a world you long to see?
Do you hear the people sing?
Say, do you hear the distant drums?
It is the future that they bring
When tomorrow comes!

Will you join in our crusade?
Who will be strong and stand with me?
Somewhere beyond the barricade
Is there a world you long to see?
Do you hear the people sing?
Say, do you hear the distant drums?
It is the future that they bring
When tomorrow comes!

Ah!
Ah!
Ah!
Tomorrow comes!

END OF THE DAY

CHARACTER	HOLLYWOOD	BROADWAY	WEST END	SPOTLIGHT
Ensemble	Ensemble	Ensemble	Ensemble	Ensemble

At the end of the day you're another day older
And that's all you can say for the life of the poor

It's a struggle, it's a war
And there's nothing that anyone's giving
One more day standing about, what is it for?
One day less to be living

At the end of the day you're another day colder
And the shirt on your back doesn't keep out the chill
And the righteous hurry past
They don't hear the little ones crying
And the winter is coming on fast, ready to kill
One day nearer to dying

At the end of the day there's another day dawning
And the sun in the morning is waiting to rise
Like the waves crash on the sand
Like a storm that'll break any second
There's a hunger in the land
There's a reckoning still to be reckoned and
There's gonna be hell to pay
At the end of the day

CASTLE ON A CLOUD

CHARACTER	HOLLYWOOD	BROADWAY	WEST END	SPOTLIGHT
Cosette	Amelia Trott	Maddy Schroeter	Abbie Rodger	Piper Kuzniecowa

There is a castle on a cloud,
I like to go there in my sleep,
Aren't any floors for me to sweep,
Not in my castle on a cloud.

There is a room that's full of toys,
There are a hundred boys and girls,
Nobody shouts or talks too loud,
Not in my castle on a cloud.

There is a lady all in white,
Holds me and sings a lullaby,
She's nice to see and she's soft to touch,
She says "Cosette, I love you very much."

I know a place where no one's lost,
I know a place where no one cries,
Crying at all is not allowed,
Not in my castle on a cloud.

Look down and show some mercy if you can
Look down and see the sweepings of the street
Look down, look down,
Upon your fellow man!

GAVROCHE

'Ow do you do? My name's Gavroche.
These are my people. Here's my patch.
Not much to look at, nothing posh
Nothing that you'd call up to scratch.
This is my school, my high society
Here in the slums of Saint Michel
We live on crumbs of humble piety
Tough on the teeth, but what the hell!
If you're poor?
If you're free?
Follow me! Follow me!

ALL

Look down and show some mercy if you can
Look down, look down, upon your fellow man!

Speaks for these people here below.

With all the anger in the land
How long before the judgement day?
Before we cut the fat ones down to size?
Before the barricades arise?

ALL

Look down and show some mercy if you can
Look down, look down upon your fellow man!

Uh-ah etc.....

ORDINARY FOOL

CHARACTER	HOLLYWOOD	BROADWAY	WEST END	SPOTLIGHT
Vocal Soloist	Maisy McCaig	Quinn Garwood	Isabel Butler	Emily Constantine

Only a fool, like fools before me
I always think with my heart

Only a fool
That same old story
Seems I was born for the part

It's a lesson that I've learned
And a page I should have turned
I shouldn't cry, but I do

Like an ordinary fool
When her ordinary dreams fall through

How many times, have I mistaken
Good looks and laughs for bad news

How many times have I mistaken
Love songs and laughs for the blues

When a road I've walked before
Ends alone at my front door
I shouldn't cry, but I do

Like an ordinary fool
When her ordinary dreams fall through

It's a lesson that I've learned
And a page I should have turned
I shouldn't cry, but I do

Like an ordinary fool
When her ordinary dreams fall through

The Place Where Lost Things Go

CHARACTER	HOLLYWOOD	BROADWAY	WEST END	SPOTLIGHT
Mary Poppins	Ariel Higgs	Lucy Rice	Jasmine Huynh	Isabelle Letic

Mary Poppins

Do you ever lie
Awake at night?
Just between the dark
And the morning light
Searching for the things
You used to know
Looking for the place
Where the lost things go

Do you ever dream
Or reminisce?
Wondering where to find
What you truly miss
Well maybe all those things
That you love so
Are waiting in the place
Where the lost things go

Memories you've shed
Gone for good you feared
They're all around you still
Though they've disappeared
Nothing's really left
Or lost without a trace
Nothing's gone forever
Only out of place

So maybe now the dish
And my best spoon
Are playing hide and seek
Just behind the moon
Waiting there until
It's time to show
Spring is like that now
Far beneath the snow
Hiding in the place
Where the lost things go

Time to close your eyes
So sleep can come around
For when you dream you'll find
All that's lost is found
Maybe on the moon
Or maybe somewhere new
Maybe all you're missing lives inside of you

So, when you need her touch
And loving gaze
Gone but not forgotten
Is the perfect phrase
Smiling from a star
That she makes glow
Trust she's always there
Watching as you grow
Find her in the place
Where the lost things go

SPEECHLESS

CHARACTER	HOLLYWOOD	BROADWAY	WEST END	SPOTLIGHT
Jasmine	Lucy Stirling	Lluka Wadey	Inara Lang	Annabelle Fleming

Here comes a wave
Meant to wash me away
A tide that is taking me under
Swallowing sand
Left with nothing to say
My voice drowned out in the thunder

But I won't cry
And I won't start to crumble
Whenever they try
To shut me or cut me down

I won't be silenced
You can't keep me quiet
Won't tremble when you try it
All I know is I won't go speechless

'Cause I'll breathe
When they try to suffocate me
Don't you underestimate me
'Cause I know that I won't go speechless

Written in stone
Every rule, every word
Centuries old and unbending
"Stay in your place"
"Better seen and not heard"
Well, now that story is ending

'Cause I
I cannot start to crumble
So come on and try
Try to shut me and cut me down

I won't be silenced
You can't keep me quiet
Won't tremble when you try it
All I know is I won't go speechless
Speechless

Let the storm in
I cannot be broken
No, I won't live unspoken
'Cause I know that I won't go speechless

Try to lock me in this cage
I won't just lay me down and die
I will take these broken wings
And watch me burn across the sky
Hear the echo saying I...

Won't be silenced
Though you wanna see me tremble when you try it
All I know is I won't go speechless
Speechless

'Cause I'll breathe
When they try to suffocate me
Don't you underestimate me
'Cause I know that I won't go speechless
All I know is I won't go speechless
Speechless

Mary Poppins:

Supercali, fragilistic, expialid, ocious!

Michael:

(Spoken)

That's not a word!

Mary Poppins:

(Spoken)

Of course it's a word! And unless I am very much mistaken, I think it's going to prove a rather useful one.

(Sung)

When trying to express oneself, it's frankly quite absurd,
To leaf through lengthy lexicons to find the perfect word.
A little spontaneity keeps conversation keen,
You need to find a way to say, precisely what you mean...

Supercalifragilisticexpialidocious!

Even though the sound of it is something quite atrocious!
If you say it loud enough, you'll always sound precocious,

Ensemble:

Supercalifragilisticexpialidocious!

Um-diddle-iddle-iddle-um-diddle-ay
Um-diddle-iddle-iddle-um-diddle-ay
Um-diddle-iddle-iddle-um-diddle-ay

Mary Poppins:

When Stone Age men were chatting, merely grunting would suffice.

Bert:

Now if they heard this word, they might have used it once or twice!

Mrs. Corry:

I'm sure Egyptian pharaohs would have grasped it in a jiff,
Then every single pyramid would bear this hieroglyph;

Oh! Supercalifragilisticexpialidocious!

Say it and wild animals would not seem so ferocious!

Mary Poppins:

Add some further flourishes, it's so ro-co-co-coscious!

Mrs. Corry:

Ah!

Mary Poppins:

Ahh!

Bert:

Ah ah ah ah!

Bert:

The Druids could have carved it on their mighty monoliths!

Mrs. Corry:

I'm certain the ancient Greeks would have used it in their myths!

Mary Poppins:

I'm sure the Roman Empire only entered the abyss,
Because those Latin scholars never had a word like this!

Ensemble:

Supercalifragilisticexpialidocious!

Mary Poppins:

If you say it softly the effect can be hypnotious!

Michael (spoken):

She may be tricky, but she's bloody good!

Mary Poppins:

So when the cat has got your tongue, there's no need
for dismay!

Just summon up this word and then you've got a lot to

JASMINE

A princess must say this
A princess must marry a total stranger
It's absurd!

Suitors talk of love but it's an act,
Merely meant to throw me
How could someone love me when in fact,
They don't know me
They want my royal treasure,
When all is said and done
It's time for a desperate measure, so I wonder

Why shouldn't I fly so far from here
I know the girl I might become here
Sad and confined and always locked behind these
palace walls

MANAL

I don't know princess
For someone like you the outside world
Might be kinda overwhelming

JASMINE

Is that a promise?

ISIR

I think it'd do her some good

JASMINE

You do?

ISIR

Honey, I've never seen somebody who needs to get
out more!

MANAL

Told to show devotion every day

ISIR

And not second guess it

JASMINE

If a new emotion comes my way

I, M, ATTENDANTS

You suppress it

JASMINE

What would be your suggestion

MANAL

Stand on your own two feet

M, I, ATTENDANTS

And ask why a certain question keeps repeating

JASMINE

Why shouldn't I fly so far from here
I know the girl I might become here
Follow your heart or you might end up cold and
callous

M, I, ATTENDANTS

Love comes to those who go and find it
If you've a dream then stand behind it

JASMINE

Maybe there's more beyond these palace walls
What if I dared
What if I tried
Am I prepared for what's outside

Why shouldn't I fly so far from here
Something awaits beyond these palace walls

ALL Something waits beyond these palace walls

Though dim, to him the world looks bright
He's got the gift of second sight

LEERIES To trip a little light fantastic!

BERT We mimic the moon, yes that's our aim
BERT & LEERIES For we're the keepers of the flame

ANGUS Come along, join us in a bit of a kick and prance

MICHAEL What did he say?

BERT
Kick and prance...it means "dance"! It's leerie speak.
You don't say the words you mean, you say something that
rhymes, only....here, I'll show you how it works.
Angus, give us your weep and wail.
To the rest of ya, that means "tale"

ANGUS I was short of a sheet
BERT It was in the street

ANGUS Just a tumble down a sink

BERT Children, tell us yer sorry tale
LEERIES Give us your weep and wail!

MARY POPPINS Rabbit in the hole

JANE That fell and broke
MARY POPPINS Bicycle spoke

MICHAEL So we took it to a shop
MARY POPPINS Like a lollipop

MARY POPPINS Rattle and clank

JANE Got lost in the fog
MARY POPPINS Lump on a log

MICHAEL Till we found a friend
MARY POPPINS To stand and defend

JANE Who took us on a trip
MARY POPPINS Snap a horse's whip

Soloist 5 You will be found (You will be found etc)

Soloist 2 You will be found (You will be found etc)

ALL

You will be found.....ahhhhh

Soloist 3

There's a place where we don't have to feel unknown
(Feel unknown)
And everytime that you call out (call out)
You're a little less alone (little less alone)

ALL

If you only say the word
From across the silence
Your voice is heard

ALL

Out of the shadows
The morning is breaking
And all is new, all is new
It's filling up the empty
And suddenly I see that
All is new, all is new
You are not alone
You are not alone
You are not alone
You are not alone
You are not alone (You are not alone)
You are not alone (You are not alone)
You are not
You are not alone

Soloist 1

Even when the dark comes crashin' through
When you need someone to carry you
When you're broken on the ground

Soloist 2, 3, 6 You will be found!

ALL

So when the sun comes streaming in
'Cause you'll reach up and you'll rise again
If you only look around
You will be found
Even when the dark comes crashin' through
You will be found
When you need someone to carry you
You will be found.....

Soloist 6 You will be found
